Subject: RE: Wetlands Permit Call

Is it worth asking whether waterways shared by two states are squarely within the MOA/MOU between the State and EPA?

Good morning,

The only thing I would add is my hope that we address all of these topics acknowledging the current political situation. I want to be realistic about what we expect of EPA.

Thanks, Michelle

Subject: Wetlands Permit Call

Good Morning:

On our call today, I suggest we discuss the issues listed below. Please chime in if you'd like to address additional issues. Barbara, I didn't have the email addresses of the other EPA participants, so please forward to those people if you will.

Thanks,

Gussie

Proposed Agenda

1. Back 40 Wetlands Permit application background
2. Michigan's responsibilities under the delegated 404 program
3. Federal Regulations (EPA and USACE, other) applicable to Michigan in carrying out program responsibilities
4. EPA's responsibilities regarding oversight of Michigan's permitting process
5. EPA's responsibilities regarding tribal consultation
